

A ROARING 20s
CELEBRATION OF

HOPE

10TH ANNUAL GALA FOR HOPE

Event Date Pending

To Our Gala Guests,

Again, our Committee must announce that given current State and Federal guidelines for social restrictions, the Gala for HOPE will be postponed.

A new event date will be determined as we continue to navigate the safety orders in place to protect public health as our region transitions through the “Yellow Phase” of reopening in our State.

As ever, the safety and health of our Guests is our utmost priority. Your patience is greatly appreciated, and we look forward to our celebration with you!
